Safety First

When the snow starts to fly, please be extra careful in the parking lot, especially around snowbanks. Please continue to drive slowly and enter and exit in the correct directions.

With the colder weather dancers may wear sweatshirt and pants for warm up but they must be removed once classwork has begun. Also, now that it is getting darker earlier, please remind your dancer(s) to wait inside if you are running late. Before leaving the building have them put on pants, a jacket, and shoes, it is important to protect warm muscles

Recital Download

Prior to the 6th tuition installment on February 1st, a \$25 charge will be posted to ALL accounts with dancers participating in the recital. This charge must be paid before you can purchase recital tickets.

After the recital video is edited, you will receive a link to your download. This link can be shared with family and friends who were not able to be at the show, saved on a flashdrive, downloaded to your computer...

You will have access to both the morning and afternoon shows whether your child participated in both or not.

Recital dance choreography is beginning! Keep in this in mind if your child is making up a class.
